Presented By Luzanne Liversage-Collins, Beck Institute Certified Clinician

Counselling Psychologist BA, BA (Hons), MA Psychology (Wits)

Luzanne is a HPCSA registered Counselling Psychologist and Beck Institute Certified Clinician, with a preference for working predominantly from a Cognitive Behavioural Therapeutic (CBT) paradigm. She has completed training accredited by the Albert Ellis Institute, based in New York City, in Rational Emotive Behaviour Therapy (REBT), as well as training from The Beck Institute for Cognitive Behavioral Therapy. She works with adolescents, adults & couples using predominantly CBT. She enjoys assisting others in their development and their use of CBT in practice.
